Dear Mount Edgecumbe Advisory Board,

Please accept the attached questionnaire and resume along with this letter of interest for the current open board positions on the Mount Edgecumbe Advisory Board. As I understand it, two positions are currently vacant and I believe I could qualify for either.

I am a local resident of Sitka Alaska, with two children attending MEHS, and would be happy to serve in either the Parent Advisory or Community Advisory position.

As my questionnaire and resume illustrate, I have over 25 years experience working in STEM fields for corporations like Microsoft, L-3 Aerospace, and Dell. Additionally I have owned a local small business in Sitka for nearly a decade. Furthermore, I have experience serving on the Sitka Tribes of Alaska Enterprise Board, Treasurer of the Sitka Chamber of Commerce, and President of Sitka Youth Football.

I look forward to this selection process and welcome any additional question that can help the board make the best choice from a field of worthy candidates.

Sincerely,

*Travis Vaughan*
